

Fishing Game

Print and cut out as many copies of the symbols below as you would like for the game. Attach a paper clip to each cut-out symbol. Create some rods using some pencils, string and magnets. Place all of the symbols with their paper clips on a playing surface and give each player a rod. Take it in turns to see how many fish you can catch! You could add different sea creatures like Shark, Lobster, and Shrimp from the Animals, Transport and Vehicles resources.

		
Fish	Fish	Plastic Bag
		
Turtle	Fish	Crab
		
Octopus	Fish	Jelly-fish
		
Fish	Dolphin	Fish
