

One place, your space.

Sensory Room Hire

Our purpose made multi-sensory room was designed and equipped by Spacecraft and contains a range of light and sound equipment and toys to gently stimulate and relax. Grace House sensory room is available for bookings Monday to Friday between 10am and 5pm, term time only.

Grace House is designed for disabled children with health needs and who may have life limiting conditions, who will always be given priority when booking. Children who are eligible to access Grace House, but are between the extended age range of 0 - 25 can use the sensory room for free. However, other disabled children as well as non-disabled children aged 18 months and under can utilise the sensory room at a cost:

Your first visit will include an induction on using the equipment and health and safety in the building. We will always try to provide a volunteer for your session who is experienced at operating the sensory room equipment (however this cannot be guaranteed). All our volunteers have been checked, vetted and trained.

We do ask that parents/carers/care workers are responsible for the care, comfort and behaviour of the persons they are accompanying, at all times when at Grace House. Unfortunately, due to the delicacy of the equipment, children's parties are not allowed.

For more information or to book an appointment please contact
Telephone: 0191 525 2885 | Email: info@gracehouse.co.uk
